Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that *all* schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.

STONEHAM REGISTRATION AND RESIDENCY POLICY

Registration

In order to register and attend the Stoneham Public Schools, a student must actually reside in the Town of Stoneham with a parent/legal guardian. "Residency" is defined as the place where a person has his/her permanent home, i.e., "the place where a person dwells and which is the center of his domestic, social and civil life."¹For minor children, the legal residency is presumed to be the legal residence of the parent(s) or legal guardian(s) who has physical custody of the minor child.

Students who are visiting Stoneham are not eligible to attend the Stoneham Public Schools.

Please read below and provide documents as indicated:

1. Proof of Age (Original Birth Certificate or Passport)
2. Proof of Immunization (Medical/Health Record)
3. SPS Registration Form(s)
4. Proof of Residency/Occupancy (see Proof of Residency/Occupancy Documents Required for Registration – page 2)
5. **Joint Physical Custody**
In cases of separation or divorce, physical custody agreements must be presented to the district school. Documentation must establish the student's residence is in Stoneham.

Residency Requirements

The Stoneham Public Schools reserves the right to request proof of residency/occupancy when students are initially enrolled. The types of documents requested as proof of residency/occupancy are listed on page 2. Stoneham Public Schools also reserves the right to verify residency at the time of enrollment and during the academic school year. Since family situations can change, the Stoneham Public Schools reserves the right to request additional, updated information when warranted.

The Superintendent or his/her designee may initiate an investigation in conjunction with the School Resource Officer, including, but not limited to, a home visit to verify residency. If a student is found not to be actually residing in the Town of Stoneham, the student will need to enroll in the school district of the city/town where he/she actually resides. Factors that may trigger an investigation include, but are not limited to, the following: changes in residency not reported immediately to the school where the student is enrolled; mail returned to the school; incomplete or contradictory proofs of residency; or anonymous calls reporting suspected residency violations.

Families found to be in violation of these requirements will face strict penalties, including, but not limited to, immediate unenrollment from school; per diem charges for the education and related services accessed as a non-resident which are based on the per pupil cost to the district; and possible legal action.

The following documents will be required as a proof of a physical address in Stoneham when new students are registered. P. O. Boxes will not be accepted with the exception of documented court related reasons.

Parent(s)/Guardian(s) Residency Certification Requirements and Forms

These forms are required for established/new residents who do not have acceptable documentation of both Proof of Residency and Proof of Occupancy and for the following residency categories:

- Tenant-At-Will
- Living with Family/Friends
- Rental of a Room in a Stoneham Residence
- Live-in Employment e.g., Nanny, Caretaker, etc.

A HOME VISIT WILL BE CONDUCTED AT AN UNSCHEDULED DATE/TIME.

In order to attend the Stoneham Public Schools, a student must actually reside in the Town of Stoneham. The residence of a minor child is presumed to be the legal, primary residence of the parent(s) or guardian(s) who have physical custody of the child.

In determining residency, Stoneham Public Schools reserves the right to request a variety of documentation and to conduct an investigation into where a student actually resides. Those families who cannot provide requested proof of residency will be referred for a residency check by the Stoneham Police Department, School Resource Officer. Because residency can, and does, change for students and their families during the course of the academic year, we may continue to verify residency after the commencement of classes and we may act upon anonymous tips received to conduct a residency verification investigation. It is also the responsibility of parent(s)/guardian(s) to notify school personnel immediately if a change in residency occurs. In addition to parent/guardian information, we also require information from the owner of the property and the resident(s) in shared tenancy where a family currently resides.

Families found to be in violation of the residency guidelines will face strict penalties, including, but not limited to, immediate unenrollment from school; per diem fines for the education and related services accessed as a non-resident which are based on the per pupil cost to the district; and possible legal action.

Directions:

1. **Parent/Guardian Form** – the Parent(s)/Guardian(s) must complete all information and have the form notarized.
2. **Shared Tenancy Form** – If the family is residing with a tenant and not the property owner, the person whose name appears on the lease agreement must complete all information and have the form notarized.
3. **Property Owner Pre-registration Certification Form** – The owner of the property must complete all information and have the form notarized.
4. **Bring the original documents, completed and notarized**, to the school office where student(s) is/are to be registered or to the Stoneham Public Schools Superintendent's Office, 149 Franklin St. Stoneham, MA (office inside SHS).
