Community Gives
For the past 5 years The Council on Aging along with Stoneham Senior Center have spearheaded the **Socks For Seniors** campaign in Stoneham. This drive's goal is to provide all seniors in need, shut-ins, nursing home residents & Elderly housing residents with a warm pair of socks for the holidays.

One of the drop off spots is Stoneham High School. Our students have been an active and integral part of this drive. Last year we collected over 730 pairs of socks of which 170 pairs were from SHS!

A brightly decorated box outside of the main office is provided for socks drop off. The campaign runs from Monday, November 4 through Friday, December 13th.

Art news:
Sophomore **Chloe Costa** was nominated by the art department to participate in Snow Farm's annual Craft Summit in Williamsburg, MA. Each year, Massachusetts high schools are invited to nominate one exceptional 10th-grade artist to attend a free, immersive 2-day workshop at Snow Farm, where, along with a group of peer artists from across the state, they spend the weekend learning from professional artists and instructors in the fields of glass, clay, metal, and 2D. Thank you Snow Farm for this amazing opportunity and congratulations Chloe!
