CHILD FIND NOTICE

In accordance with Massachusetts' Special Education legislation, the Stoneham Public School District is making every effort to identify special needs children who may be entitled to an evaluation and specialized educational services. The age limits include 2 ½ years of age through 21 years of age.

If you, or your agency, comes in contact with children who are Stoneham residents and whom you suspect may have a disability, and are not currently being serviced under the auspices of Stoneham's Special Education Department, we would appreciate your notifying or referring the parents and/or individuals to this office.

All inquiries or referrals should be sent to:

The Department of Special Education
