

Principal's Message

8/29/2021

Hello,

It was a welcome and absolute pleasure to welcome our students back with Class Meetings this past week. We reviewed updates to the Stoneham High School Handbook with specific mention to Attendance and Integrity Policies and our Dress Code Expectations. Students picked up chrome books and chargers and identified what FLEX Block Advisory Group they are assigned. Seniors also were invited to identify their parking Space for which they were able to design and paint.

We informed students that we have high expectations for them and that at SHS our goal is to help prepare them for success beyond high school with strong academics, extracurricular activities and treatment and expectations of young adults. This begins with our Core Values of Curiosity, Integrity, Responsibility and Community. We emphasized that these values permeate all aspects of our expectations for our students and how we will engage with them.

Here's to a great start to the school year.

We look forward to your return on Wednesday, September 1.

Best.
Mr. Lombardi
